

FOR IMMEDIATE RELEASE - (April 24, 2009)

NEC Unified Solutions, Inc. Receives *Unified Communications*® Magazine's 2008 Product of the Year Award

UNIVERGE® UC700 Client Recognized for Outstanding Innovation

IRVING, TX, April 24, 2009 —NEC Unified Solutions, Inc. (NEC), a leading communications solutions integrator, announced today that Technology Marketing Corporation's (TMC®) *Unified Communications* magazine (www.uc-mag.com) has named NEC's UNIVERGE® UC700 Client as a recipient of its 2008 Product of the Year Award.

NEC's UNIVERGE UC700 Client combines mobility, rich presence, communication history, instant messaging, call control, voice, video conferencing and collaboration into an easy-to-manage solution.

"The UNIVERGE UC700's intuitive interface puts unified communications functionality into a single client," said Jay Krauser, general manager, portfolio management, NEC Unified Solutions. "With NEC's solution, business managers and knowledge workers have a single, easy-to-manage application for communications that provides rich presence and instant messaging, logs voice messages, rules-based call routing, and even fax messages in a single location."

"NEC has proven its commitment to quality and excellence while addressing real needs in the marketplace. *Unified Communications* is pleased to grant a 2008 Product of the Year Award to their UNIVERGE UC700 Client," said Rich Tehrani, TMC President and Editor-in-Chief of *Unified Communications* magazine. We're proud to honor their hard work and accomplishments and look forward to more innovative solutions from NEC in the future."

A full list of Product of the Year winners will be published in the March/April, 2009 issue of *Unified Communications* magazine, www.uc-mag.com.
